Help PIANY reward deserving professionals

2016 Distinction of Professionalism Awards

Now accepting nominations

PIANY takes great pride in its professionalism, and considers it important to recognize the professionalism of others in the insurance industry.

Honor insurance professionals who exemplify the qualities and actions that serve as an example of industry excellence to us all.

Professional Agent of the Year— demonstrates excellence and achievement in insurance marketing and service; personal commitment to professionalism; contributions to PIANY and the community.

Distinguished Insurance Service—has an established history of service to the American agency system and/or PIANY.

Community Service Award—has had a leadership role in significant activity for the betterment of the community and/or its individuals.
