“Thank you so much for helping us understand and comply with the cyber security requirements for the New York State Department of Financial Services. You went far beyond expectations with your patience and help. You are just exceptional, and I am very grateful.”

—Girolamo Coraci

Del Rio Insurance Brokerage Inc.

“As a member of PIA for the past 30+ years, one of the benefits of membership has been the ability to access the PIA Industry Resource Center. As a small-agency owner with limited resources, PIA has provided important information and guidance to me over the years. PIA has been able to review carrier contracts, help navigate the New Jersey Department of Banking and Insurance, and provide guidance on the handling of issues with employees and clients. I will always rely on the PIA Industry Resource Center as a business partner.”

—Steven C. Radespiel

Insurance Center of North Jersey

“PIA Northeast’s membership resources page has been extremely helpful to me and my staff as we navigate the ever-changing world of insurance. The page has terrific information on crisis planning and preparation, marketing, staffing, agency development, and provides access to experts. I particularly like the technical hotline where you can submit a request online and receive an answer back from an expert on the topic. The technical hotline is worth the cost of membership alone!”

—Timothy G. Russell, CPCU
